

Statement of Work No. 202511001

This Statement of Work, dated as of the Effective Date, is entered into by D4 Technologies, Inc., ("Vendor") and Visual Comfort & Co. ("Client") in accordance with and subject to the terms of that certain Master Services Agreement, dated as of 6th January, 2023, by and between Vendor and Client. Capitalized terms used in this Statement of Work but not defined herein shall have the meanings set forth in the MSA, In the event of any conflict between the terms and provisions of this Statement of Work and the MSA, the MSA shall govern unless this Statement or Work expressly references the provision(s) at the MSA that are intended to be superseded for this Statement of Work.

Effective Date: 03-Nov-2025

Duration: Till 31-Jan-2026

Services to be Performed: Vendor will provide IT Services to Client onsite locations.

Specifications for deliverables to be provided by Vendor will be created by the parties during the performance of this Statement of Work. Vendor will perform the Services under the general direction of Client, but Vendor will determine, the manner and means by which the Services are accomplished, subject to the requirement that Vendor shall at all times comply with applicable law.

Rates and Fees: All work performed by Vendor will be charged to Client on a time and materials basis. The duration and hours per month identified in the table below only indicate the expected availability of the Vendor resources, not minimum or guaranteed fees to be paid by Client. The following rate table provides the hourly rate for each Vendor resource identified in this Statement of Work:

REQUIREMENTS	QUANTITY	HOURLY RATE	VCC LOCATION
IT Engineer	1	\$95	Savannah

The Vendor resources will work based on the client onsite office hours. The Services will be performed based on a standard 40-hour work week, provided that client may book extra hours over and above 40 per week at the hourly rate up to a maximum was 45 hours per week.

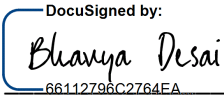

Client will be invoiced based on the amount of time actually required to provide the Services. Billable hours are applicable only to equal hours expended. Billing is not applicable for absence due in holidays, illness, emergency leave, or vacation time. Vendor will use its commercially practical efforts to minimize absences over which it may have control. Vendor will submit a monthly invoice to Client for all fees and direct expenses incurred hereunder. Invoices shall be generated from Vendor's standard time record.

Time records for each Vendor consultant performing work hereunder shall be available to Client upon request. All out-of-pocket travel related expenses (e.g. travel, mileage, transportation) incurred by Vendor in connection with the performance of this Statement of Work will be paid by Client in accordance with, and subject to, the terms of the MSA. All such expenses will be itemized when billed. Vendor will use its commercially practical efforts to minimize those expenses over which it has control. Client shall pay all properly invoiced amounts as per the payment terms in the MSA.

Reports: Vendor will provide Client with weekly written progress reports or its performance under this Statement of Work. Progress reports shall cover all work performed during the week and

identity the work to be performed during the subsequent week. Progress reports shall identify any problems encountered or still outstanding with an explanation of the cause and resolution of the problem or how it will be resolved. Vendor will conduct weekly status meetings with Client Project Manager. Meetings will be held on Friday or convenient day of each week.
